### FOR COMMONWEALTH'S ATTORNEY.

HON. B. J. BETHURUM,

Whose announcement appears elsewhere in this issue as a candidate for the nomination for Commonwealth's Attorney for this, the 28th Judicial district, to fill the unexpired term caused by the resignation of J. N. Sharp, subject to the Republican primary to be held August 15th 1908.

Mr. Bethurum has always been an ardent and loyal Republican, always taking an active part in all political matters, and up until he changed his residence to Somerset had been one of the leaders of the Republican party in this county.

For some time he has been filling the position, under appointment, and has done so with honor to himself and credit to the district.

The hearty indorsement for Mr. Bethurum which he will receive from Rockcastle Republicans, will bespeak the esteem and regard in which he is held by the people of his native birth. The following is an editorial clipped from the Somerset Herald:

"In an appropriate column of The Herald will be found the announcement of Hon. B. J. Bethurum as a candidate for Commonwealth's Attorney for the Twenty-Eighth Judicial District of Kentucky, subject to the Republican primary election, which has been set for August 15th, 1908. This district is composed of the counties of Clinton, Rockcastle, Pulaski and Wayne. Before coming to Pulaski county Mr. Bethurum had lived continuously in Rockcastle, where he had made a most creditable reputation as a lawyer and politician, having served

Rockcastle county one term in the Legislature representing Rockcastle and Laurel counties. Since coming to Somerset Mr. Bethurum has taken high rank as a lawyer, being universally recognized as one of the best young lawyers in Southeastern Kentucky, as well as a man of the highest honor and integrity. As a Republican he has a record without a blemish, and is always found ready and willing to do service for his party and its nominees. Being a man of fine personal appearance, a forceful and logical speaker, his capacity for leadership is second to none. Mr. Bethurum is now serving the district as Commonwealth's Attorney, having been appointed last January by Governor Willson to fill the vacancy caused by the resignation of Hon. J. N. Sharp, and the election this November is to fill out the unexpired term of the latter gentleman. Mr. Bethurum's conduct relative to the discharge of his official duties has been all that could be desired by his constituents, and it seems to be the opinion of all concerned, that the district has not had a more obliging, painstaking and efficient official than Mr. Bethurum. His friends confidently assert that it matters not who may enter the primary against him, he will certainly win the nomination. Whoever supports him will have the satisfaction of knowing he has supported a self-made man, distinctively so, an able officer and a Republican in the very fullest meaning of the term."

### WILLIAMSBURG.

The Whitley county Teachers Institute will be held here next week.—Miss Eva Fish of Mt. Vernon is visiting her aunt, Mrs. J. B. Fish.—Mrs. Frank Myers who was severely injured by a fall last week is improving slowly.—The jury in the trial of Mr. S. P. Gatliff for killing Esborne Gilreath brought a verdict this morning of nine years in the penitentiary. A new trial will be granted.

### THE DOCTOR AWAY FROM HOME WHEN MOST NEEDED.

People are often very much disappointed to find that their family physician is away from home when they most need his services. Diseases like cramp colic and cholera morbus requires prompt treatment, and have in many instances proven fatal before medicine could be procured or a physician summoned. The right way is to keep at hand a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. No physician can prescribe a better medicine for these diseases. By having it in the house you can escape much pain and suffering and all risk. Buy it now; it may save life. For sale by Chas. C. Davis.

The International Paper Company announced a cut of 10 per cent, in its wage scale, to go in effect August 1. The cut will affect several thousand men.

DeWitt's Witch Hazel Salve is good for cuts, burns, bruises and scratches. It is especially good for piles. Recommended and sold by Chas. C. Davis.

FRANKFORT, KY., JUNE 24, 1908

Dear County Superintendent:  
A bulletin giving detailed infor-  
mation and suggestions concerning  
the operation of the new "County  
School District Law" will shortly  
be issued. Numerous inquiries  
and suggestions about House Bill  
No. 147 have reached this Depart-  
ment and will have most careful  
consideration. To-day this cir-  
cular may be helpful to officers for  
immediate needs.

1. The County is the unit. The  
school boundary must coincide with  
the County. The law recog-  
nizes no "fractional districts." However,  
I think, that  
conditions may make necessary  
"convenient arrangements" locally  
similar to the old law in Section 68.  
Such arrangements cannot be  
effected by this office but must be  
perfected by local authorities. Of  
course the redistricting will have  
no effect concerning the operation  
of schools for the year 1908-9.

2. The County Superintendent,  
the County Judge, and the County  
Attorney shall divide the county  
into Educational Divisions and  
they shall sub-divide each Educa-  
tional District into school sub-  
districts. Boundaries are to be  
based on white children, but when-  
ever these boundaries are fixed by  
these officers above named, the  
lines of white and colored districts  
shall coincide.

3. Paragraph (2) above indicates  
that the officers named are the  
absolute authority to fix and  
change the Educational Division.  
But Section 10 of the new law  
directs that the County Board of  
Education shall have full power to  
establish new school subdistricts  
and to change the boundaries of  
school subdistricts. The framers  
of the Act however, had no  
intention of ultra-rigid boundaries.  
A wise provision of the Act, see  
Section 17 carefully, has reference  
to consolidation of school sub-

districts. Two or more white sub-  
districts may unite for the needs  
of the white children; vice versa  
several subdistricts may unite for  
the needs of the colored children.  
These are called "Consolidated  
Schools." Section 17 is to the  
Superintendent, who is a real  
statesman, a sufficient "safety  
valve". Look out for the needs of  
the schools, not for the needless  
friction!

4. About Lumbering Education: 1  
Divisions and Sub-districts: For  
future convenience number the  
educational divisions and the school  
subdistricts in the following man-  
ner: Beginning in Educational  
Division No. 1; Oak Hill Sub-  
district No. 2; and so on through  
the whole number of subdistricts  
in this Division. Then Educational  
Division No. 2, with Collett  
Subdistrict No. 2; and so on through  
the whole number of subdistricts  
in this Division. Then in the  
same way number each subdistrict  
in the other Educational Division.

5. The question is asked: Is it  
possible to make Lebanon (for  
example) an Educational Division  
by itself? Refer to the new law  
(Bulletin No. 3) Section 2, which  
says: "The County Judge, the  
County Superintendent of schools,  
and County Attorney shall then  
sub-divide each of the said educa-  
tional divisions into school sub-  
districts following as nearly as  
practicable the boundaries of  
existing school districts for white  
children". If the educational  
Division (Lebanon) can be sub-  
divided into subdistricts, and if the  
trustees can organize a division  
Board as noted in Section 4, such  
possibility may be contrived. The  
matter is scarcely practicable.

6. About questions concerning  
election of trustees:

(a) Trustees are elected by  
ballot. Boxes are to be used and  
the secret ballot is to be used as  
at all regular elections.

(b) The County Clerk furnishes  
boxes and ballots. Procedure  
should obtain as in all regular  
election except as specifically  
directed in the new law.

(c) The following blanks will be  
furnished by this office to the  
county superintendent:

1. Certificate of trustee—eligibil-  
ity.

2. Petition of trustee—noma-  
ination.

3. Trustee's election—returns

7. Graded Common Schools  
shall retain their present bound-  
aries and be exempt from the  
provisions of the new Act. See  
Section 2.

8. Bulletin No. 3. directs that  
the school session 1908-9 will not  
be affected by the new law. The  
Superintendent means it to be  
understood that old district  
boundaries according to 1908  
will exist, that the present trustees  
should arrange the opening of  
schools, the selecting of teachers,  
etc., but the old trustees vacate  
their office as soon as the division  
boards organize—within thirty days  
after the date of their election—  
August 31, 1908. See Section 4.  
The new officers take full control  
of school property, school super-  
vision, etc., at that time.

Fellow-superintendent, 95 per  
cent. of our school people believe  
in the new system; I depend upon  
you as the head of your county.  
Bear in mind these two things at  
once: First, it is a great opportu-  
nity you have to redistrict your  
entire county; second, your in-  
fluence should count for much in  
the selection of the right trustees.

Respectfully submitted,  
J. G. GRABBE.

tion Throughout Kentucky.

Lexington, Ky., June 28.—After con-  
sidering the request of one of the di-  
rectors and a number of minor officials  
of the American Tobacco company  
made recently to again come before  
the board for a conference relative to  
the purchasing of the crop, the exec-  
utive committee of the Burley Tobacco  
society at Winchester decided that all  
future efforts of the American Tobacco  
company to purchase the pooled to-  
bacco crop from the Burley Tobacco  
society was fruitless unless President  
James B. Duke appears before the  
board personally to consummate the  
deal with the society, whereby his  
company will take over the entire crop.  
The executive committee takes this  
action on account of the conference  
held by them with Vice President  
Smith and a number of other officials  
of the American Tobacco company  
some months ago at which time they  
stated they had no power to act au-  
thoritatively without the approval of  
President Duke, and although the bur-  
ley board considered the matter at  
length with representatives of the com-  
pany they could accomplish nothing.  
The board will demand that Presi-  
dent Duke come to Winchester, other-  
wise no further sales will be made to  
them or any business matters in con-  
nection with their dealing considered.

## UNDER NASTY CHARGE

St. Louis Liquor Salesman Accused of  
Circulating Obscene Literature.

Chattanooga, Tenn., June 29.—The  
Hamilton county grand jury has re-  
turned a presentment against Lee  
Levy of St. Louis, dealer in gin, charging  
him with circulating obscene litera-  
ture. A traveling salesman named  
Greenwald, living in Memphis, who has  
sold the Levy gin in this city, was also  
made the subject of a presentment car-  
rying the same charge.

At the same sitting the grand jury  
found formal charges against five local  
liquor dealers. They are charged with  
exhibiting obscene pictures in their  
places of business.

Levy, the St. Louis man, will hardly  
be extradited unless it appears that  
Governor Folk is anxious that he  
brought to a trial on this charge and  
therefore willing to issue his warrant  
for the arrest.

## TO SAVE ITS HORSE INDUSTRY

Bluegrass State Looks to Cavalry for  
Demand.

Lexington, Ky., June 29.—In the  
hope of saving the horse industry of  
Kentucky, which suffered greatly be-  
cause of the passage of anti-betting  
laws in New York, a movement was  
started here to secure the consent of  
the government to establish a remount  
station here for the breeding and train-  
ing of thoroughbred horses for the use  
of cavalry officers.

It is believed that farms of any size  
desired by the government can be  
purchased at a lower price now than  
for many years, and the matter will  
likely be taken up at once.

The only argument against the use  
of thoroughbreds as war horses is said  
to be their nervousness, but it is be-  
lieved that this can easily be trained  
out of them.

To EXCLUDE CANADIAN BOOZE.  
Detroit, Mich., June 29.—Acting un-  
der instructions from United States  
District Attorney Watson, United  
States Marshal Taylor seized 5,495  
cases of a well known brand of Cana-  
dian whiskey in the warehouse of Hi-  
ram Walker & Sons in this city. This  
is a renewal of the efforts of the agri-  
cultural department to exclude from  
the American market this and other  
brands of Canadian whiskey, on the  
ground that they are not labeled in ac-  
cordance with the new pure food and  
drug law.

CIRCUIT COURT:—The case against R. P. Pike for the killing of Joe Mize, which was to have been called for trial last Friday afternoon was continued until next term. G. W. Gentry Jr., charged with false swearing acquitted. The case against Wilse Baker and his son, Cal, charged with breaking into a box car continued: John B. G. Miller, on the charge of a nuisance given four months on the rock pile. A motion for a new trial, in the case of Pur Rigby, who was given two years in the pen, for killing Greely Lear, was made Monday, but the court has not handed down his decision. Most of this week has been devoted to civil business. The case of Jasper McGraw against W. M. Bullock, in which about twenty acres of land, valued at \$300 was involved resulted in a verdict in favor of the defendant. The Commonwealth of Kentucky vs. Louisville & Nashville railroad Company awarded \$50 damages. The grounds for damages in this case were that the Railroad Company because of abutments for a bridge across Roundstone Creek, had backed the water, so that the ford which is only a short distance above the bridge, is impassable during high water.

The case against Lee Norton, charged with the shooting and wounding of Mrs. James Arnold, at the same time her husband and son were killed by Joe Norton, was called Monday but passed over until yesterday it being necessary to summon a special venire, of seventy-five men to get the jury. The following jury was selected and the taking of evidence was begun yesterday before noon. The case will go to the jury today. The following are the gentlemen who were selected to try the case: Jason Robinson, Frank Adams, Ike Herron, J. C. Phillips, Louis Owens, A. P. Chandler, J. E. Craig, Sam Rose, W. M. Lunceford, Willis Bustle, Joe Bullock and R. G. Shearer.

We extend to the bereaved ones our heart felt sympathy, but they must put their trust in God who knows all things well.

Walter Brown, Henry Williams and N. A. Guilbert, leading Ohio politicians, called on Secretary Taft Monday to demand the selection of Arthur I. Vorys as national chairman. ## Women Inclined to Constipation

Women, owing to their peculiar functions, are prone to constipation, and many of their other ills are due to this congestion in the bowels which fills the blood with impure matter that permeates the entire system. In most cases foul breath, bad complexion, sick headache and such like ills are primarily caused by constipation or indigestion.

Women should be happy to learn of a remedy that cures constipation and indigestion, and that has such other ingredients as purify the blood and tone up all the digestive organs. This remedy is Dr. Caldwell's Syrup Pepsin, which can be bought at any drug store for 50 cents or \$1 a bottle. Women have been curing themselves with this remedy for sixteen years, and the offer of years ago still stands to-day, that you buy Dr. Caldwell's Syrup Pepsin with the understanding that it will do as claimed or your money will be refunded.

This great laxative compound is especially suited to the delicate system of women because of its gentle but prompt action, its pleasant taste and its freedom from griping. It does not weaken like purgatives and cathartics, but builds up and strengthens. It is a guaranteed permanent cure and should be as steadily in your home as in that of thousands of others. Women use it themselves and give it to children in preference to any other laxative because it is guaranteed to do what a good laxative should do, and does it gently. Mrs. Turner, of 888 McLaren Ave., St. Louis, Mo., is glad to say that it cured her constipation and stomach trouble and recommends it to American womanhood. She is but one of thousands who are loud in praise of it.

You who have never used it should begin to-day. You will date your freedom from sickness to the day that you start the use of Dr. Caldwell's Syrup Pepsin. Your druggist will sell you a bottle under our absolute guarantee.

**FREE TEST** Those wishing to try Dr. Caldwell's Syrup Pepsin before buying can have a free sample bottle sent to their home by addressing the company. This offer is to prove that the remedy will do as we claim, and is only open to those who have never taken it. Send for it if you have any symptoms of stomach, liver or bowel disease. Gentlest yet most effective laxative for children, women and old folks. A guaranteed, permanent home cure. THE PUBLIC VERDICT: Laxative So Good and So Sure as DR. CALDWELL'S SYRUP PEPSIN. This product bears purity guarantee W. T. Washington, D. C.

About eighteen months ago I had grown so much worse that I could not digest a crust of corn bread and could not retain anything on my stomach. I lost 25 lbs; in fact I made up my mind that I could not live but a short time, when a friend of mine recommended Kodol I consented to try it to please him and was better in one day. I now weigh more than I ever did in my life and am in better health than for many years. Kodol did it. I keep a bottle constantly; and write this hoping that humanity may be benefited. ## ONE MORE STAR FOR THE GRAND OLD FLAG

Oklahoma's, Added on July 4, is the Forty-sixth in Old Glory.

A Fourth of July Sketch by John Walter Witherspoon. Copyright, 1908, by C. N. Lurie

UNDER the provisions of an old act of congress Oklahoma's star, the forty-sixth, will be added to the American flag this Fourth of July, but on New Year's day some school children in Philadelphia anticipated the official addition of the new star in a very pretty ceremony, as shown by the accompanying illustration. Though Oklahoma was admitted to statehood by the president's proclamation of Nov. 16, 1907, under a law passed in 1818 the new star could not be added until the Fourth of July following. This law has applied to all states added since the year mentioned. The little old house in which the first "star spangled banner" was made under direction of General Washington and a committee of congress stands at 39 Arch street, Philadelphia. It was here that the little girls and boys celebrated the advent of 1908 by hoisting a flag containing forty-six stars. Thirteen girls clad in colonial costumes of white represented the original states, while a boy dressed up as Uncle Sam and another uniformed like a colonel of the Continental army assisted in the ceremony.

house from Charles P. Mund. The money for the purchase was contributed by more than a million persons, many of them school children. The price was \$25,000, and most of the money consisted of dimes.

An interesting innovation in American political life which accompanies the conferring of full citizenship upon the Indians of the Five Civilized Tribes—Cherokees, Creeks, Choctaws, Chickasaws and Seminoles. These Indians now may vote, run for township constable or president of the United States and exercise any other function of citizenship which is open to a citizen of any state.

Each of these Indians, man, woman and child, is the owner of a considerable acreage of land in the Indian Territory part of Oklahoma. The lands were allotted to them as tribal citizens.

**The War of the Chesapeake.**

The war of 1812 sometimes is called the war of the Chesapeake. Several years before war was declared she was on a practice cruise across the Atlantic. She was challenged by a British ship of war and ordered to give up four men who had deserted from the British navy. Captain Barron, her commander, refused. The British vessel opened fire, killing and wounding a number of Americans. After an ineffectual defense the Chesapeake struck her colors to the Briton and delivered up the men wanted. Three of these were American citizens who had been impressed into the British service. It was such infamous acts as these on the part of Great Britain that caused the war of 1812.

Charles Carroll of Carrollton. When Charles Carroll of Maryland was about to sign the Declaration of Independence he was warned that he was jeopardizing his immense property, and some one else said: "Oh, King George will never hang Carroll. There are too many of them. His majesty can't identify him."

"True," said Carroll and promptly wrote after his name "of Carrollton."

**The Absentminded Man.**

"What day does the Fourth of July come on this year?" asked the absent-minded man.

"On Saturday."

"Yes, but what day of the month?"

**A REVELATION.**

It is a revelation to people, the severe cases of lung trouble that I have been cured by Foley's Honey and Tar. It not only stops the cough but heals and strengthens the lungs. L. M. Ruggles, Reasnor Iowa, writes: "The doctors said I had consumption, and I got no better until I took Foley's Honey and Tar. It stopped the hemorrhages and pain in my lungs and they are now as sound as a bullet."

**IT CAN'T BE BEAT.**

The best of all teachers is experience. C. M. Harden, of Silver City, North Carolina, says: "I find Electric Bitters does all that's claimed for it. For Stomach, Liver and Kidney troubles it can't be beat. I have tried it and find it a most excellent medicine." Mr. Harden is right; it's the best of all medicines also for weakness, lame back, and all run down conditions. Best too for chills and malaria. Sold under guarantee at Chas. C. Davis' drug store. 50c.

## GROVER CLEVELAND.

### COMMENTS ON HIS DEATH

In all the history of this country there has been none with whom he can be compared. There was none like him in moral heroism, in breadth of view, in loyalty to high conviction, in true patriotic ardor, in executive force, in personal sacrifice. He was as big as his country, devoted to its welfare, true to its best traditions, confident of its future. He was in fact saved by his bravery, and in which he was so cruelly denied to him while yet he was living. Defamed by every charlatan while he was in authority, misjudged and misrepresented by every demagogue who has had the ear of the multitude, abandoned by his party because he would not yield to the follies of the times, the target of the revolutionist and the special abhorrence of the political mountebank and swindler, he moved to the close of his honorable life, serene in his composure and comforted by his conscience, void of offence toward God and man. We must pay him the tribute of our warmest admiration because of his generous treatment of the South. He did more for us than any other President this country has ever had. He restored the South to the Union. He made it a part of the life of the nation; he gave it a place in the Government at Washington, and recognized it in the diplomatic service of the country. That he failed to impress his faith in the South and his love for the South upon the people of this part of the country was not his fault, but the result of the unworthy character of the men placed by the South in positions of influence and power, and by whom the South must be judged and has been judged to its shame.—News and Courier, Charleston, S. C.
